

## **I'll See You In Heaven**

C - G - Em - D

Chorus:

I'll see you in heaven  
Where angels sing and the saints will bow  
Where death is no more and every tear is wiped  
Where glory dwells and grace abounds

One of the crowd no more  
I'll live for God and Him alone  
No more the masses to follow  
My shepherd now is leading home

One brief word, one brief oath  
Yes I do, why don't you?  
Live for Him, just believe  
Give it all for Him and Him alone

One small stand, one brief life  
It counts so much now in death  
Evil is conquered by one word  
Yes, I believe, unto Him I'll cleave
