

AT HOME WITH JESUS (Jon's Song)

For Jon, my friend

Mark Wager 6/18/03

At home with Jesus, right now..

Shoes kicked off... sittin' around... getting' answers to the questions I'd been kickin' round... wow... I never imagined.

Me and Jesus walkin' around... sketchin' little pictures all over town... hey, that's a nice one.

At home with Jesus, right now

Tomorrow, we're headed up to the hill... I want to see the place where he paid my bill...

How he made a way for you and me... to live with Him forever - totally free... wow... can you imagine... for me... can you imagine.

At home with Jesus, right now..

Peter, James, and John all sittin' around... I'm hearing all the stories of what went down...

I'm meeting people right and left, happy to see me... I wish I could describe it so happy and free... can you imagine.

At home with Jesus, right now

Has it been a day, a year or ten, time passes quickly when you're around Him...

At home with Jesus, right now..

I gotta run now cause Jesus & me... headin' to a place he says I just gotta see...

But He says He'll be back soon, we'll be together again... man it's great hangin' with Him. Can you imagine.. Me..

At home with Jesus, right now

...right now ...right now
At home with Jesus, right now
