There to approach the Glory of God,

A2
come toward to seek your face

Purify my heart and purify my hands

For I know it is on Holy ground I stand

G **D/F#** **A2** **D/F#** **G**
I'm coming up the mountain Lord

G **D/F#** **A2** **D/F#** **G**
I'm seeking You and You alone

My heart unveiled before You
