

I NEED YOU MORE

Song from Lauren's Haiti Mission Trip

A **D**
I need You more (women echo), more than yesterday
E **D** **A**
I need You more (women echo), more than words can say.
F#m7 **D**
I need You more, than ever before
A **E** **A**
I need You, Lord. I need You, Lord.

A **D**
More than the air I breathe,
A
more than this song I sing
D
More than my next heart beat
Asus **A**
More than anything
D
And Lord as time goes by
F#m7
I'll be by your side
D **Esus** **E**
Cuz' I never want to go back to my old life.
