

King Of Love

Martin Smith

(Capo 2)

B

D A7sus D A7sus

King of love, You called my name, You gave me life

D A7sus Bm

Although the shame, that covered me, You took my hand

G A7sus D

And here I stand, I'm saved by grace

A7sus D A7sus D

Father God, You heard the prayer, from deep within, my spirit cries

A7sus Bm

If there's a god, come rescue me

G A7sus D

Now here I stand I'm saved by grace

G D A7sus G D A7sus

I will thank You for saving my soul, for You showed me the truth in Your Word

G D A7sus Bm G A7sus D

I will take up my cross and follow you, now I live for the glory of God

A7sus D A7sus D

Now we turn, to walk away, from selfishness, the pride and hate

A7sus Bm

And when we pass, through stony ground

G A7sus D

We'll gladly walk upon our knees

A7sus D A7sus D

So we cry out come change us Lord into a church who loves Your Word

A7sus Bm G A7sus D

We will return to knowing You, with joy we walk beneath the cross

G D A7sus G D A7sus

We will thank You for saving our souls, for You've shown us the truth in Word

G D A7sus Bm G A7sus D

We will take up the cross and follow You, now we live for the glory of God
