

There's no one like you

There's no one like you in all the earth

There's no one like you in the heavens

There's no one like you, knows my weakness

knows my frailty, my desire

Its to know you all my days

its to know you as my savior

its to know you in your beauty

in your power, and your glory

There's no one like you in all the earth

There's no one like you in the heavens

There's no one like you, sings so sweetly

shines so brightly, You're so holy

I will praise you all my days

I will praise you as my savior

I will praise you in your beauty

in your power, and your glory

There's no one like you

no one
