All the beauty I can see, If it could belong to me,
Am C D G
I would give it all for You.

Any greatness I achieve, Every praise I may receive,
Am C D G
I would give it all for You.

All I need, You are all I need,
 Em C D G
I have found it true, Life comes only from You.

C D-G C
All I need, You are all I need,
 Em C D G
Nothing else will do, No one else but You.

If I'm given comfort here, Offered what the world holds dear,
Am C D G
I would give it all for You.
