

I Am Yours

by Kim Johnson

C F
Father, here I am in this place again
Am G F C F
I know that You're no stranger to pain, to loneliness

C F
Father, here I come, lay my burdens down
Am G F
Knowing that You'll take me as I am
C F
So I come, with freedom as Your child
C F
And I run to Your arms

C G/B
My heart is aching for my father
Am F
My eyes they long to see my God
C G/B Am F
This world has nothing I desire, You are what I'm lookin' for
C G/B
Hide me underneath Your shelter
Am F C F
Cover me and I will say, I am Yours, surely I am Yours

G/B
