

Undivided Heart

D C G
If I'm to be whom You desire, all throughout my life
D C G
A vessel unto honor Lord to Thee
 D C
And before Your throne, to hear You say
 G A D
That I have done my part, Lord I need a undivided heart

G A F#m Bm
That I might know You, that I might serve You
G A D D7
That I might worship You as King
Bm-G Gm D Bm
To see the Morning Star, to know how great You are
G A D
Lord I need an undivided heart.
