I will thank the Lord deep within my heart

Two hearts that speak now as one, when this day is done.

And whoever could know what our future will hold  
C Am F G  
The blessings that our God will send  
F Em Am C  
We are strangers no more as tomorrow unfolds  
C Am F G  
We find comfort in God as our friend. (Refrain)

Though dark be the night, when we fear losing sight  
C Am F G  
And we wonder from where comes the day  
F Em Am C  
We are never alone, for the Lord makes His home  
C Am F G  
In hearts that are seeking love's way. (Refrain)

Em F C Am  
And when we grow old and our story is told  
C Am F G  
And our memories are stored up away

God will seek out each face and will find us a place  
C Am F G  
In a home where love bids us stay.
